

Job title:	Staff Accountant
Location:	Providence, RI / Potential for Hybrid work model
Terms:	Full Time 37.5 Hours per week
Salary/rate:	\$55K-\$70K
About us:	Rhode Island Infrastructure Bank is Rhode Island’s central hub for financing infrastructure improvements for municipalities, businesses, and homeowners. We leverage limited capital in a revolving fund to offer innovative financing for an array of infrastructure-based projects including water and wastewater, road and bridge, energy efficiency and renewable energy, and brownfield remediation. These quality-of-life projects improve the State’s infrastructure, create jobs, promote economic development, and enhance the environment.
About the role:	The Staff Accountant’s primary responsibilities include core accounting functions such as accounts payable, accounts receivable, general ledger journal entries, reconciliations, and financial reporting. Additional duties include cash management, performing monthly financial and compliance reporting, and monitoring accounts receivable and accounts payable. The Staff Accountant is integral to our balance sheet management (including interest rate-risk analysis) efforts and to assuring the highest and best use of available capital.
Responsibilities:	<p>Core Accounting Functions</p> <ul style="list-style-type: none"> • Record, track, and monitor disbursements, banking transactions, investment funds, securities, and financial instruments. • Prepare journal entries, perform account reconciliations, and participate in monthly financial reporting – both internal and external. • Maintain strong financial controls and make recommendations for process improvement for the management accounting process. • Assists with preparing monthly, quarterly, and year-end financial statements and supporting schedules as needed. • Any other duties assigned by the CFO or Deputy CFO. <p>Cash Management</p> <ul style="list-style-type: none"> • Maintain the integrity of the movement of deposits and account balances between the Bank’s various lending programs. • Review debt service payments and related schedules and monthly accruals for interest payables. • Compile relevant financial and industry data; make recommendations to management regarding the Bank’s Comprehensive Annual Financial Report (CAFR). <p>Financial Analysis</p> <ul style="list-style-type: none"> • Perform financial planning and analysis, including researching investment opportunities and economic trends. • Maintain performance dashboard to highlight underlying business trends. • Creating financial models for decision-making support. Improve financial performance by analyzing results; monitoring variances; identifying trends; and recommending actions. • Maintain documentation of the methodologies and entries for audit and control purposes. • Assist, as necessary, with all regulatory compliance activities and audit requests.

<p>Candidate requirements:</p>	<ul style="list-style-type: none"> • Bachelor’s degree in finance, Accounting or related field, or other equivalent experience. • 1 – 4 years’ experience in accounting / finance • Strong financial acumen and analytical ability. • Working knowledge of finance and accounting best practices, laws, standards, and state/national regulations. • Working knowledge of financial markets and products. <p>Desired Skills</p> <ul style="list-style-type: none"> • Strong analytical and accounting skills with knowledge of monthly and quarterly close cycles. • Attention to detail and strong organizational skills. • Ability to prioritize activities to meet deadlines. • Great interpersonal skills and strong oral and written communication skills. • Strong desktop computing skills including the full suite of Microsoft Office programs. • Exceptional work ethic, ability to perform under pressure and meet deadlines, and demonstrates enthusiasm towards colleagues and clients.
