

Request for Proposals (RFP)

On-Call Services for Resilience and Stormwater Technical Review and Inspections

RFP Question Responses

- 1. Question:** The RFP indicates that respondents should provide estimated costs hourly and/or by task. Could you please clarify whether the Bank is primarily looking for hourly billing rates, or if a task-based cost estimate is expected for this on-call contract?

Response: We would like respondents to provide hourly billing rates. Maximum billing amounts per project will be negotiated prior to contract execution.
